DESIGNED BY JOHANNES SCHERR
LICENSED FROM **bene**

Linear

Sit back, work, or relax with the Connex linear modular lounge seating and table series. The collection features 2 and 3 seat sofas, ottomans, benches, and tables that can be configured to create comfortable lounge areas that fit the unique needs of any space. Sofas and benches can be connected together to create endless rows of seating, and in-line or corner connecting tables can be added between seat units. Connex linear is ideal for big and small spaces where people come together.

ARMS

Regular Arm

Large armrests act as a tablet holder and provide an additional work surface.

Power Arm

An AC receptacle and USB ports can be integrated into any connex arm to provide power.

LEGS

Connex Legs

Legs are made from steel and can be finished in powder coat - cloud silver. Units can be fixed to the floor.

Curved

This modular system of curved sofas, benches, and tables create spacious, flowing lounge and waiting areas that invite people to sit down, relax, and unwind. The curved pieces can be uniquely placed to complement the architecture of a space, or direct the flow of traffic. Combine with linear pieces to create an endless array of configurations.
