

bouloum

THE PLAYFUL, PERSON-SHAPED CHAIR

- Designed in 1969, Bouloum remains in vogue
- Bouloum is contoured to mirror the human form, perfect for contemplation, relaxation and conversation
- Bouloum can be used anywhere you want to create a relaxed and inviting atmosphere: office, library, healthcare, transportation, hospitality environments, and at home
- Tubular steel frame and moulded CFC-free fire retardant HR urethane foam ensures long-lasting performance and comfort
- Bouloum is in the permanent collection of the Museum of Modern Art in New York

UPHOLSTERY

- Slipcover upholstery allows for easy maintenance and flexibility with cover colour
- Replacement slipcovers are available
- Moguls and Beehave Terratex® fabrics are available in 16 colours
