Leaf Lamp Tree

Leaf Lamp Tree’s trunk and branches are made from Swedish birch, that stand on the ground with a robust base that can be bolted to the floor or an optional base plate that makes the tree freestanding. The crown has a diameter of Ø130 / Ø230 / Ø300 / Ø400 cm or custom size up to Ø600 cm for special projects. Leaf Lamp Tree has A-class sound-absorbing qualities – the foliage forms a soft labyrinth of 3,5 / 14 / 21 / 53 square metres of wool felt. It softly diffuses the light to create a soothing atmosphere, and radically enhances speech perception in its proximity.

See all Leaf Lamp monochromatic colors here.
Design your own Leaf Lamp in mixed colors and request a rendering of it here!
